The Power of Passion

1. Passion is the first step to achievement.

It is hard to believe summer is over and fall is on its way. Kathy Wall has been working hard on getting our program schedule set for the year. She has some great ideas for the APW seminar, too. Susan Young will be presenting a program on Community Service opportunities and Libby Blosser will need our help in our Membership Drive.

Last week I sent out the flyer for the Virginia-West Virginia PDS. It looks like a very good program. Please consider attending.

While looking through various job sites, I came across an interesting article from *Forbes Magazine* about toxic friendships in the workplace. We have known one or two of these, I am sure, but thought the article was written well and relevant to our profession. It can be found at: <http://www.forbes.com/sites/meghancasserly/2011/09/09/toxic-colleagues-nine-coworkers-to-watch-out-for/> Has everyone created their profile on the IAAP web community? If you have not yet created the profile, please do. There are quite a few forums and articles on a variety of topics. Also, there is a job site if anyone is looking for a new position or knows someone who is.

If anyone is considering taking the CAP exam this year, please let me know.

I am looking forward to working with all of you to make this a really great year for the chapter.

Maureen Chapman

The RTF needs all of you! Please continue to help share the word about the Housing Subsidy for Admins in Need (HSAN) Program of the Retirement Trust Foundation. This important program provides financial assistance toward housing costs for any retired administrative professional living in a retirement community and meeting the housing assistance criteria. Assistance is accessible to all members within the six districts of IAAP.

The next deadline date to submit applications is fast approaching - November 15th. If you or someone you know needs housing assistance and meets the housing requirements, please go to the RTF web site at www.iaap-rtf.org for more information about the program and to find the application, or contact IAAP Headquarters and ask for the Controller's office for assistance.
